

Time to Unwind Facial - \$100.00

Basic cleansing facial which includes a complete skin analysis, steam, exfoliation, light extraction, and customized mask followed by hydrating moisturizer. This facial includes a relaxing face, neck and shoulder massage. Designed to leaving you feeling relaxed and revitalized with a radiant glow.

Break-out Control Facial - \$100.00

A customized deep cleansing facial that penetrates pores to dissolve impactions, blackheads and kills bacteria while gently hydrating the skin. This treatment includes a complete skin analysis, a customized treatment that is catered to your skin care needs and a treatment protocol to help reduce inflammation and balance oil production. We suggest series of treatments along with suggested skin care products to achieve maximum result.

Rejuvenating Facial - \$130.00

Hydrating and relaxing facial that stimulates circulation to promote a youthful, healthy glow while exfoliating and hydrating the skin with a blend of antioxidants and Vitamin B complex to increase fatty acid levels in the skin to provide maximum hydration. This facial includes a relaxing face, neck and shoulder massage.

Belle Lueur Facial - \$130.00

Antioxidant therapy facial that corrects and prevents free radical damage caused by environmental and everyday stress factors which ages the skin. This facial helps to stimulate oxygen and circulation improving blood flow to the skin surface and eliminating toxins deep in the pores resulting in a radiant healthy glow. Perfect treatment to have prior to a special occasion to have a “belle lueur” or beautiful glow.

Peel Away Perfections - \$150

Our chemical peel exfoliation technique uses naturally occurring alpha-hydroxy acids (AHA's), beta hydroxy acids (BHA's), retinol and trichloroacetic acid that gently exfoliates and removes dead or damaged skin revealing new, radiant, glowing skin. Our licensed professional will conduct a skin analysis to tailor a treatment for your unique skin type, discuss your skin care goals, and develop a treatment plan formulated for your skin needs.
